

RED DEER LAKE UNITED CHURCH

**LIVING IN FAITH
EXPLORATION
(LIFE)
SUPPORT TEAM**

City Heart ~ Country Warmth!

**LIVING IN FAITH
EXPLORATION (LIFE)
SUPPORT TEAM**

Everyday each of us is influenced by everything and everyone around us. In return, everything and everyone is influenced by us as individuals. We never stop learning how our values, our beliefs and our faith are shaped by, and are shaping, our families, our communities and the world.

**Whether we realize it or not,
we are living in a constant
state of faith exploration.**

The Living In Faith Exploration (LIFE) Support Team wants to help you get the most out of LIFE. We support, promote and enable activities and initiatives that are intended to enrich LIFE for everyone in Red Deer Lake United Church as well as people in our surrounding communities and elsewhere.

What could LIFE mean to you?

Perhaps ...

- Exploring your ideas and questions through a reading group

- A pot luck and movie night

- Joining Sunday School or the Youth Group

- A fun afternoon at the bowling alley

- Walking the labyrinth

- Helping out in Sunday School

- Volunteering in the local community with friends

- Learning how to help children with their "Big Questions"

Or maybe it could be...

- Helping the Youth Group form a band

- Attending the annual Men's Conference

- Forming a support group for newcomers to our communities

These are just a few suggestions from a list of possibilities that is limited only by how much we want to get out of LIFE. What ideas do you have?

- _____
- _____
- _____

We want to hear from you! If you have ideas or questions about how LIFE could be richer at Red Deer Lake United Church let us know. Your ideas or your questions could make a big difference not only to you, but many others as well.

Remember, LIFE is personal but never private - it forms us, our families, our communities, and our world.
